LIGHTING SOLUTIONS

SUCCESSFUL PROJECTS

Coffee Shops

Starbuck One Bangkok, Thailand

OPPLE is thrilled to illuminate the two-story Starbucks Reserve at One Bangkok, Thailand's largest commercial hub. Our smart lighting system enhances the store's warm and modern ambiance, making every visit memorable. The #Downlight P2 HAO offers bright, even lighting throughout, while #TrackSpotlight PA and embedded strips highlight the bar and coffee displays. Wall washer lights add elegance to feature walls, and creative strip lighting guides guests upstairs. On the second floor, spotlights, downlights, and strips adjust to fit various moods—ideal for relaxing or brainstorming. All lighting is controlled via the OPPLE Smart System for effortless day-to-night transitions.

SUCCESSFUL PROJECTS

Coffee Shops

Molly Tea One Bangkok, Thailand

A cozy drink deserves a cozy glow — Thanks to Molly Tea for trusting Opplle to be part of your warm and welcoming space. Every cup served. Our lighting solutions are thoughtfully integrated throughout the space: Strip Neon - Highest: Lighting up the upper signage area with clean, modern brightness. Strip light E2: Softly illuminating the Molly Tea logo in elegant white. Panel Lights: Providing clear, functional lighting in the kitchen area, where all the magic happens. Downlights: Perfectly placed at the counter service zone to ensure an inviting and professional look.

YAKINIKU One Bangkok, Thailand

From the art of Japanese grilling to the art of perfect lighting. Thank you, YAKINIKU One Bangkok branch , for choosing Opble Track lights and Spotlight. Enhancing the rich textures and colors of every premium cut. Bringing the warmth of traditional YAKINIKU to a modern, luxurious setting. Here's to a dining experience that shines as bright as the flames

SUCCESSFUL PROJECTS

Wellness center

Gardenia Retreat SPA , Thailand

OPPLE is proud to light up the Gardenia #Retreat in Bangkok, creating a serene and elegant environment to elevate the massage experience. Warm #bulbs in decorative fixtures welcome guests in the lobby, while spot track lights add depth and highlight the sofa area. In the garden, Strip Neon U softly outlines the corridor and pool, enhancing nighttime visibility and ambiance. The #SPA room features vintage-style LED Fila Bulbs E for a tranquil, aesthetic glow. Outdoors, solar #streetlights and #floodlights ensure bright, energy-saving lighting in the parking area—for beauty, comfort, and safety in every corner.

SUCCESSFUL PROJECTS

Malls

Thai Watsadu branch in Phrae, Thailand

OPPLE is proud to illuminate the new Thai Watsadu branch in Phrae, #Thailand—an 18,000 sqm modern retail hub. The outdoor #Floodlight EIV highlights billboards and entrances with weather-resistant, low-maintenance performance, while the LED #Waterproof U EP2 ensures safe, glare-free parking. Inside, LED #Highbay E3 lights the wide retail space, and #T8 Tubes brighten shelving areas, enhancing product visibility. All lighting solutions are energy-efficient and long-lasting, improving both the #shopping experience and operational efficiency for modern #retail environments.

SUCCESSFUL PROJECTS

Malls

Sena Fest , Thailand

OPPLE Tailored Solutions make the atmosphere more charming for Sena Fest Mall in Bangkok. The Sena Fest is a unique commercial center in Bangkok with an artful blend of nature. OPPLE Lighting has considered and successfully created a wonderful lighting experience in harmony with mall's natural beauty. The overall lighting solution not only brings a comfortable visual experience to the consumers but also boost cost effectiveness for the customers.
